**RECOMMENDATION**

SPACE COMMITTEE

BY

\_\_\_\_\_  
Vice Mayor Calvert

\_\_\_\_\_  
Council Member Scherer

**CEQA**

There are no CEQA issues associated with naming committee members.

**DISCUSSION**

Vice Mayor Calvert did not have a PROS Committee appointment to recommend at the January or February 2011 Council meetings. However in February she did recommend a PROS Committee Member to serve on the Planning Commission and Council approved that appointment. That then left two openings on the PROS Committee – one for Vice Mayor Calvert and one for Council Member Scherer. They may submit their recommendations tonight.
